**3 MATTERS ARISING FROM THE MINUTES/ SCHOOLS FORUM MEMBERSHIP ISSUES
(STANDING ITEM) - CONFIRMATION OF REPRESENTATION**

- Cathy Dokerska will be stepping down.
- Eileen McElligott has still to confirm whether she wishes to continue as a member.

4 DSG BUDGET MONITORING 2016-17 (with Growth Fund verbal update) - Presented by SD.

- Spending format remains unchanged.
- High Needs Block: Likely deficit of £3.6m at the end of March 2017 based on an estimated in-year budget gap and the carried forward amount from 2015-16.
- Early Years Block is on target. Estimating a small underspend due to being half way on the 2 year programme, which will be used towards the 30 hours project.
- £80k forecast overspend due to increase in business rates and backdated valuations.
- Growth fund - Additional pressure of £140k
 - Capital:
 - Myles Milner has put forward a case for more funding to expand schools which has been approved in principle but requires Member approval.
 - The basis of funding is being reviewed i.e. should it be based on places not filled or on increased places.
 - Members requested that expenses incurred as part of an expansion e.g. wireless connection should be included in the project cost and not passed on to the school. Richard to pick up with Myles.
 - Revenue - Option A agreed. 7 in favour none against.

5 CENTRAL RETENTIONS AND DE-DELEGATIONS 17-18

Central Retentions: Agreement of members sought on items tabled in section 4.2 of 12 January 17 report:

- School kitchens: No longer centrally funded. Schools will buy into an SLA. If not, they carry all costs for equipment.
- Admissions: £50k increase to prevent drastic reduction of service provision. Summary of duties covered are in 4.8 of report.
- Education Services Grant: Made up of general funding rate and statutory duties. All funding for statutory duties are now included in the DSG. Vote carried for its transfer back to a central fund. 10 in favour; none against.

De-delegations (Maintained schools only, voted by phase)

- School Improvement - £348k. Vote carried. Primary: 5 in favour, 1 against. Secondary: both in favour. Dan to meet with heads to provide further update.
- Behaviour support: Service does not generate sufficient income to operate on a partly funded basis. Vote carried for primary element - 6 in favour. Both secondary schools voted against. De-delegated amount will be reduced by the secondary element.
- Education Services Grant: Primary: 5 in favour. Secondary: both against.
- Contingency fund: Vote carried. Primary: 5 in favour. Secondary: Both in favour.

6 SCHOOLS FUNDING 17-18

- All factors have been reduced by 1.5% to meet the high needs deficit.

- In year pressure will increase the deficit to £3.5m.
- Trajectory predicts ever increasing deficit which is not an acceptable situation.
- In borough provision has to increase to reduce costs. Richard to raise need for capital investment at next Lead Member briefing and CMT.

Vote carried for High Needs Block to use hedge room funds of circa £900k.

7 EARLY YEARS FUNDING 17-18 (to include Deprivation query)

- New national funding formula from April 2017. Theresa will report on transition year at September meeting.
- Primaries base rate has increased.
- Maintained nurseries will lose out.
- Uplift for 2 year old funding.
- Admissions forms have been redesigned to address previous low take up of EYPP.
- Additional funding is now provided for minor adaptations for disabled children.
- Maintained nursery heads manage panel for children with emerging needs.
- The expansion of 30 hours free childcare will put pressure on the team.
- Going forward the treatment of deprivation funding and PP will be treated separately and if schools do not complete the return on how deprivation funding has been spent and the impact, no funding will be made. Deprivation funding is thrice the amount of PP. Noted that Richard will need to address issues on form completion requirements and not Schools Forum.

Agreed that £150k be allocated to SEN inclusion fund.

Agreed to an increase in the number of staff.
