1. The above is based upon current pupil @ September 2016 and broadly similar representation per pupil (we have detailed calculation which can be inspected)
2. With expectation of more Secondary Academy/Free School Pupils from Oct 2016 the membership will increase by 1 within this area. No other changes are needed within Academic year 16-17. This will be reviewed in Oct 2017 dependent on any new conversions.
3. With the agreement of Schools Forum Peter Kayes term as Primary Governor to be extended by 18 months. Elections for all Primary Governor to be held in Oct 2016. In meantime two Primary Governor Substitute/ Observers to be introduced subject to agreement. Any vote sharing arrangements would be a matter for the current Primary Governors Members.
