Proposed concrete shared use cycle route "paragon" tile (450 x 450mm), to be located centrally on the footway/cycleway and not across vehicular accesses' Note: Approx spacing's at 25m

Area extent of vegetation to be cleared back to the fence line up to 2.5m height

Existing post to be removed and existing restriction plate relocated on new post. In the same location, proposed 300mm Ø Diag 956 mounted back to back on new 76mm post above relocated existing restriction plate with a minimum mounting height 2.4m

Proposed sign Diag 956 300mm Ø mounted back to back on a new 76mm Ø post with a minimum mounting height of 2.4m

Key

Concrete shared use cycle route "Paragon" tile (450 x 450mm), refer to standard detail NCN422/SD/001. Tile to be located centrally on the footway/cycleway and not across vehicular accesses's.

Notes

1. All dimensions are in metres unless otherwise stated.
2. This drawing should be read in conjunction with all other relevant engineering details, drawings & specifications.
3. Any discrepancies should be reported to the design engineer immediately, so that clarification can be sought prior to the commencement of works.
4. All works are to be in accordance with Reading Borough Council specifications and standard details.
5. Contractor to establish all utility and drainage locations and coordinate safe working procedures before any excavation works take place.
