Ri

Note on Membership for discussion at meeting on 10/12/2015

Notes

1. The above is based upon current pupil @ October 2015 and broadly similar representation per pupil (we have detailed calculation which can be inspected)
2. From Oct 2016 Maiden Erleigh (Crescent Road) & WREN will share a new member subject to pupil numbers justifying this. At present pupil number are not sufficient to justify a shared vote at this stage. They will however be invited along as Observers.
3. With more expected Academy converters and growth in Primary Free Schools it is likely from Oct 2016 that the Primary Academy/ Free School membership will increase by 1 and the Maintained Primary members will decrease by 1 (subject to pupil numbers and incidence of academys)
4. With the agreement of Schools Forum Peter Kayes term as Primary Governor to be extended by 18 months. Elections for all Primary Governor to be held in Oct 2016. In meantime two Primary Governor Substitute/ Observers to be introduced subject to agreement. Any vote sharing arrangements would be a matter for the current Primary Governors Members.
