Dear Mr Sarafian

Town and Country Planning Act 1990
Appeal by Berkeley Homes (Oxford & Chiltern) Ltd
Site Address: 55 Vastern Road, Reading

I refer to your request for Rule 6(6) status and confirm that it is granted.

The Independent Review of Planning Appeal Inquiries has been published and the Planning Inspectorate is now implementing some of the recommendations, where we can and in line with our Action Plan (hyperlinks below).

<https://www.gov.uk/government/publications/independent-review-of-planning-appeal-inquiries-report>

<https://www.gov.uk/government/news/16-out-of-22-rosewell-recommendations-implemented-as-planning-inspectorate-publishes-updated-action-plan>

As you are a Rule 6(6) party, you should send me a copy of your statement of case you intend to put forward at the inquiry. This is required by the provisions of Rule 6(6) of the appropriate Inquiries Procedure Rules. You must do this by **25 August 2021**.

Your statement of case should:

Give full details of the case you will be putting forward at the inquiry. You must provide documents, maps and plans, you intend to refer to or use in evidence. Please also include a list of any conditions or limitations you would agree to, if the appeal were to be allowed.

The Inspector and Inquiry date

The Inspector appointed to decide the appeal will be A Mageean BA(Hons), BPI, PhD, MRTPI and the inquiry will open at **10.00am on 26 October 2021**. We have currently scheduled 12 sitting days. You would be provided with further information about how the event would be managed nearer the time. The Inspector would undertake the site visit in the normal way.

The Inspector will hold a combined case management conference event with the main parties on teams at **10:00 on the 26 August 2021** More details will follow including an agenda and details of how to call in. Each party should have a single spokesperson nominated to speak; the intended advocates should participate if at all possible

Please can you provide the name and email address of your spokesperson 7 days before the case conference, along with the names/email addresses of any other participants.

In advance of the case management conference, parties are requested to focus only on the matters that are in dispute and give detailed consideration as to exactly what topics could most efficiently be dealt with as a round table discussion at the inquiry (or even just by written submissions) in order to ensure that the inquiry is conducted in an efficient and effective manner, optimising inquiry time. This will be an item on the agenda for the conference. In light of the outcome of that discussion, the Inspector will direct how the evidence will be dealt with at the inquiry.

If you subsequently choose not to appear at the inquiry following service of your Rule 6(6) statement, you should be aware that no provision is given within the rules for you to submit a further statement or to add to any statement already submitted.

In accordance with Rule 14(1)(a) you should submit your proofs of evidence (and summary where appropriate) to me and a copy to each of the statutory parties no later than 4 weeks before the inquiry opens.

Costs

Costs can be awarded in this type of appeal. Details of this can be found on our Planning Portal - www.planningportal.gov.uk/planning/appeals/guidance. You are advised to read this guidance very carefully as it contains important information about how one party to an appeal might have to pay another party's costs.

You should be aware that withdrawal at any stage in the proceedings, without good reason, may result in a successful application for costs. A successful application is also possible should an event be adjourned because of the submission of late evidence.

Additionally, a Planning Inspector or the Secretary of State may on their own initiative make an award of costs, in full or in part, if they judge that a party has behaved unreasonably resulting in unnecessary appeal expense.
