Hi Brian,

Thanks and I hope you are feeling better now.

I will shortly issue the full amended submission for Reading Station Park (RSP), to the email address below. I'm expecting this to be via c.10 emails.

In the meantime, I attach the covering letter and updated Planning Application Booklet for your reference.

We look forward to discussing the amended submission with you shortly.

Kind regards  
Marie

**This is an EXTERNAL EMAIL. STOP. THINK before you CLICK links or OPEN attachments.**

Hi Brian,

I hope you're well.

Further to our recent emails, to update we are aiming to submit the revisions to the RSP planning application this Friday.

Please can you advise how you would prefer us to make the submission. The options being:

1. Via the planning portal (docs under 10MB);
2. Via multiple emails to you or a nominated colleague – it would be helpful to know your max email size limit, and also if you would like the docs split into under 10MB parts (I note RBC recombined the original submission docs before posting on these online, so I'm keen not to create unnecessary work for your team); or
3. Via Newforma transfer – either as docs split into under 10MB parts or as complete docs, as preferred.

If you can let me know what works best for you, I will action accordingly, if possible.

Kind regards  
Marie
