Dear Marie,

**RE: 200328 - Vastern Court, Caversham Road, Reading**

Further to the Pre-Notification of Intention to Appeal received from CMS law, it is noted that the agreed determination date for this application expired on the 31st July 2021.

In light of the recently submitted changes to the application submitted to the Council in October 2021, the Council considers it reasonable to request an extension of time to the determination deadline in order to allow time to consider the impacts of these significant amendments. In particular this extension would allow the Council time to complete the independent testing of the Financial Viability Appraisal submitted with these amendments, obtain daylight/sunlight and microclimate reviews, and allow the application to be scheduled for determination at the earliest planning committee in the new year following the conclusion of the above.

The Council thereby request an extension of time in accordance with Section 34 (2)(c) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 until 2<sup>nd</sup> March 2022. I would be grateful if you could confirm in writing your agreement to this request.

We look forward to hearing from you.

Best regards,

Brian
