Application Number: 200328

Name: Dr BJ Ralston

Address: 5 Lynmouth Court

Lynmouth Road

Comment Type: Observation

Comment: With reference to recent amended plans for Vastern Court, I note a continuing large plan for residential buildings without replacing the retail facilities I walk to on a daily basis. In view of the large on-going additional nearby residential space in Reading, my preference is to wait to see how quickly they are occupied by residents and what effects are caused before approving this one.
