

Notes by Design & Townscape expert witness, Mr Michael Doyle for following Figures:

- Figures 1A, 2D, and 3D are taken from the Appellant's Composite Rebuttal Proof, with colour/tone added to distinguish the various schemes shown.
- Figures 5A and 5B, again taken from the Appellant's Rebuttal Proof, show the Parameter Plan heights (Parameter Plan PP-103) overlaid on the Vastern Road images from the illustrative scheme.
- Figures 6A and 6B illustrate the effect of adjusting the Parameter Plan Plots to open a direct route and line of sight from the station to the continuation of the North-South Link through the 55 Vastern Road Scheme (the SSE site).
