Discover the Kennet & Avon Canal

The Kennet & Avon Canal stretches all the way from Bristol to Reading, winding through some of the most beautiful countryside in southern England.

Completed in 1810, the canal almost disappeared forever during the 20th century.

Thankfully, dedicated members of the Kennet & Avon Canal Trust stepped in. Through campaigning, fundraising and thousands of volunteer hours, they helped restore and protect this historic waterway so that everyone can enjoy it today.

Celebrating 75 Years of the Trust

This June, our wheelchair-accessible boat *Hannah* will become a travelling exhibition, visiting communities all along the canal from Bristol to Reading.

Expect a fantastic programme of local celebrations including live music, food and refreshments, dancing, themed activities, children's events and boat trips.

Find the full programme at katrust.org.uk/KA75 or follow us on Facebook.

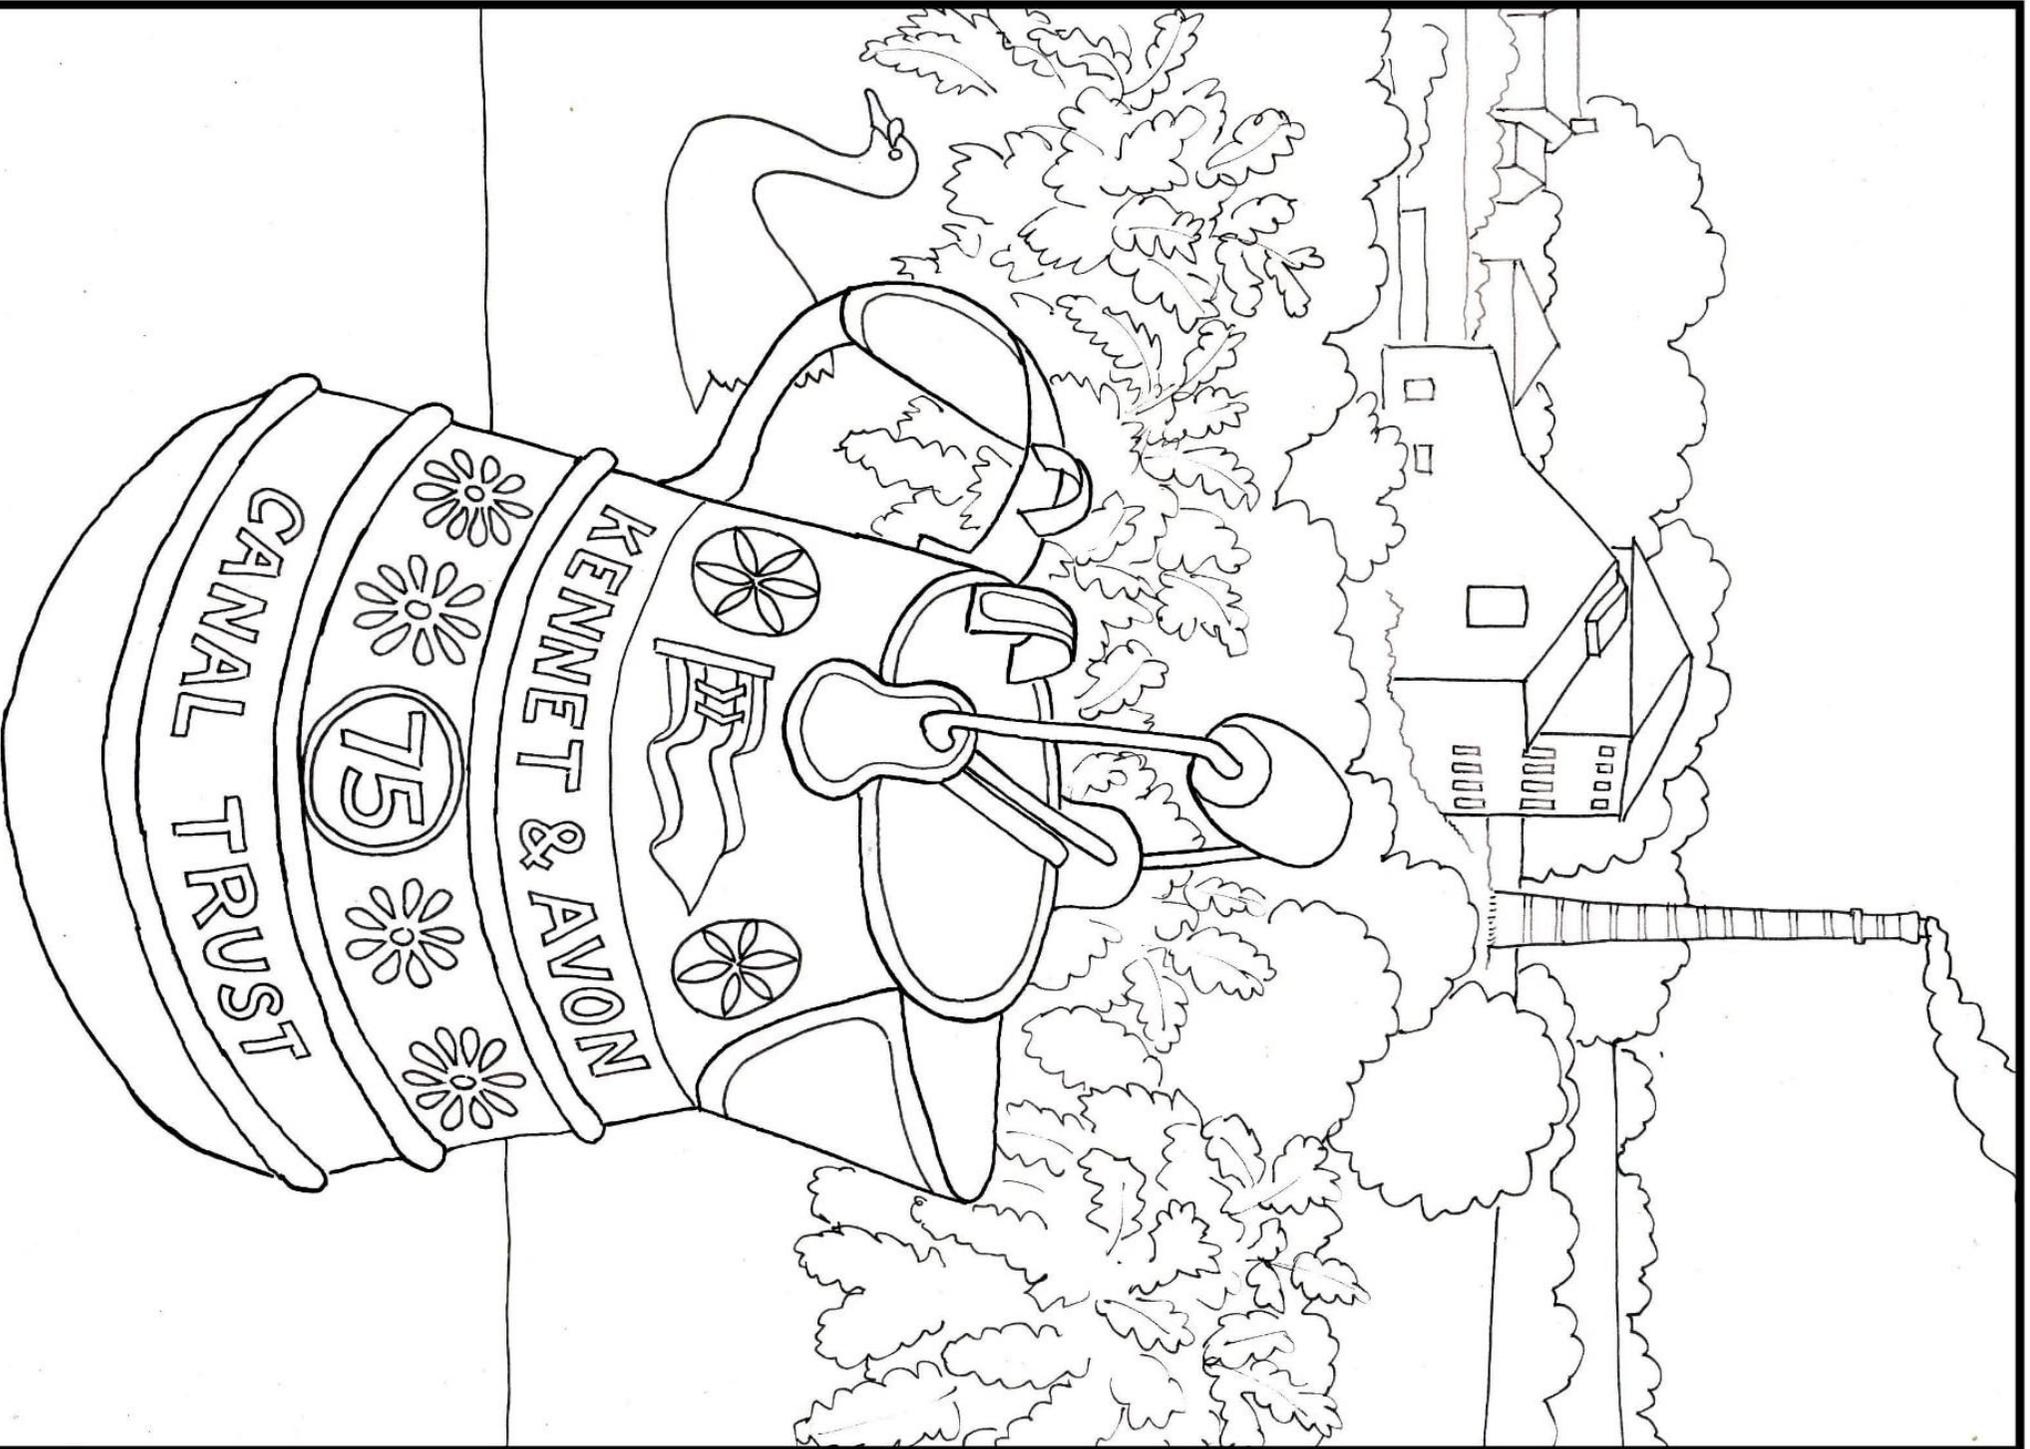

A big thank you to:

- Dru Marland for creating the beautiful colouring artwork
- London Street Brasserie, Reading for kindly sponsoring the competition
